## **SUBSCRIPTIONS**

Our total number of paid subscribers continues to dwindle, and we ask you, as true military professionals, to consider entering or renewing your subscription to your professional bulletin.

If your subscription is up for renewal, you will receive your first notice about 10 days after you receive your last issue and a second notice about 40 days later. If we receive your renewal check by the first week of the month in which we mail our magazines, there will be no interruption of service to you. But if it arrives later, after our regular mailing has been done, there will be a short delay.

(We usually mail the magazines between the 15th day and last day of January, March, May, July, September, and November.)

New subscription applications arrive either with payment or with a "bill me" notation. When we get an application with payment, we process it immediately and mail the first issue. When we receive one with a "bill me" notation, though, we must bill you and wait until we receive your payment before we can mail your first issue.

Our present subscription rates are shown in the following note.

## **SUBSCRIPTION RATES**

**INFANTRY** is available to subscribers at \$12.00 for one year and \$23.00 for two years. Foreign (non-APO) subscribers must add \$4.00 per subscription per year to cover mailing (surface mail) and handling charges. Foreign air mail rate will be furnished on request. Single copies are \$2.50 each if sent to a U.S. address.

Payment must be made in U.S. currency, by international money order, or by a check or draft drawn on a U.S. bank. For best service, payment should accompany each order, because we cannot start a subscription until we have received full payment for it. Checks, money orders, or drafts should be made payable to **INFANTRY** and mailed to P.O. Box 2005, Fort Benning, GA 31905-0605.

One-year subscriptions are not refundable. Two-year subscriptions are refundable, but service and handling charges will be deducted.

## **UNIT DESIGNATIONS**

In several cases during recent months, units on our appropriated fund (free distribution) mailing list either have disappeared from the Army's rolls or have been redesignated. Sometimes it takes us quite a while to find out what happened to them, particularly when their magazines are returned with an "address unknown" stamped on the envelopes.

If your unit is scheduled for rebranching, reorganization, or redesignation in the near future, or if it is planning to move to another installation, armory, or street address, please let us know. In that way, your unit will not miss any copies of **INFANTRY**, and we will not have to waste a lot of the Army's postage money trying to find you.
